

JAMES BAY COMMUNITY CENTRE PRESENTS:

SUMMER ADVENTURES

LICENSED ALL DAY CHILDCARE

For ages 5- 12 - Registration Starts June 1st 2010

We offer exciting centre based activities, adventurous out trips, and swimming all tied into fantastic weekly programs. Each week includes a new and exciting theme for your child/children to partake in, as well as knowledgeable and well trained staff members to supervise. Our summer programs will incorporate a fun, healthy atmosphere, while still providing our adventurers with an educational experience. Swing by the centre desk for more information on our weekly themes.

We offer affordable weekly and monthly rates for our summer programs:

\$465.00/month or \$140.00/week (7:30am -5:30pm)

Or

\$390.00/month or \$120.00/week (9:00am – 4:30pm)

July 5-9: Culturally Crazy – Pack your suitcases kids, we're going travelling! This is a chance for adventurers to discover cultures from around the world. Through games, crafts and outdoor pursuits children will explore cultures that are right here in their own neighbourhood. This gives children the opportunity to become educated not only with Canadian cultures but global customs as well.

July 12-16: Naturally Awesome – Nature is Beautiful. Slap on your sunscreen and hats to come discover all that nature has to offer. Grand trees, gorgeous beaches and spectacular creatures are just a few of the things we will investigate this week. Join us for a clean green week, where we will learn to protect and serve our lovely mother earth through visiting Victoria's finest locations.

July 19– 23: Super Hero Boot camp – GO GO Gadget, GO! This is a week for you to unveil your super powers and help save the planet! Being a superhero is hard work, but don't worry we have designed a special boot camp just for you. Come and learn what it really takes to become faster than superman and have more energy than Spiderman. What's your kryptonite?

July 26 -30: Iron Chef Junior Edition – Calling all young chefs! This is a fun and energizing week packed with healthy hands on cooking and plenty of physical activity. This is a week that will provide adventurers with the knowledge to live a healthy and active lifestyle. At the end of the week participants will create their very own cook book on recipes they have created throughout the week. If you like to eat and stay energized, this is the week for you!

August 3 – 6: Untamed Science- Come join us for a week of untamed science explorations and wacky experiments. Ever wondered why the sky is blue or the grass is green? Or how caterpillars turn into butterflies? Together we can explore the science behind it all. Through hands on activities, children will learn the answers to the questions they always wanted to know!

August 9 -13: TV live and in the flesh- Ever wanted to be a participant on Fear Factor? Or maybe Dancing with the Stars? This is your chance to take up an opportunity of a life time. Join us for a week of game shows, reality shows and children’s shows and be the actor or actress you always wanted to be.

August 16 – 20: Water, wonders and waves – Calling all beach bums! This week is all about beaches, pools and slip and slides. Put on your bathing suit and grab a towel, it’s time to get wet! This week of water fun will not only have you splashing around but will leave you with wonders about the mystery that the ocean can hold. Victoria is a water wonderland waiting for you to jump in, explore and cool off.

August 23 -27: Hollywood Stars – Lights, camera, and action! Learn what it takes to be a director, actor/actress or supermodel. This is a chance for the kids to experience Hollywood from all different angles. Bring your ball gowns, tuxes and red carpet faces to be ready to take center stage!

August 30 – Sept 3: Unsolved Mysteries - What and where is area 51? Who build the ancient pyramids? How does the caramel get in the centre of the chocolate bar? Join us for a week of solving unsolved mysteries. Put on your thinking caps and pull out your magnifying glasses to find the clues to many of the world’s most puzzling secrets.
